Brown bin

The Brown bin is for all food waste from households. It is very important to put the biodegradable waste into biobags (Maíspokinn) before it is disposed into the Brown bin. Following are examples of waste that can be put into the Brown bin:

Fruits

Vegetables

Bread

Rice, corn etc.

Coffee grounds and filters

Cheese

Cooked fish

Eggs and eggshells

Tea bags

Cooked meat

Pasta

Potatoes

Cut flowers

Tissue paper and napkins

Toothpicks
