Green bin

The Green bin is for recyclable plastic packaging, paper, tetrapaks, cartons, cardboard, and small metal objects. Packaging must be clean to be recyclable. Therefore it's important to empty and rinse food leftovers from the packaging. Unclean packaging should go into the garbage.

Cardboard

All cardboard boxes, pizza boxes, moving boxes etc.

Newspapers/magazines

Newspapers, magazines, envelopes, copy paper etc.

Tetrapaks/cerealboxes

Beverage cartons, cereal boxes, egg trays etc.

Plastic packaging

All kinds of soft and hard plastic packaging. Bags, film, bottles and containers etc.

Small metals

Small metal objects. Steel and tin cans, aluminium foil, jar lids etc.

Not allowed

Unclean packaging
Toys
Styrofoam
Electronics
CDs and DVDs
Toothbrushes
Plastic folders
Baking sheets
